We will endeavour to post tannoy announcements on our Facebook page throughout the show. However these should not be relied upon - it is the competitor's responsibility to get to the ring in good time to run your dog. To find us on Facebook search **@cacagilityshow** and *Like* the page to receive notifications.

We also intend to have **e-gility** running on some of the rings over the weekend.

*** denotes classes with Lower Height Option. For classes offering LHO, Full height will run first.**
There is no measuring at our show.
