If you help for at least half a day you will receive lunch.

PLEASE REMEMBER

In accordance with KC Rules, all Small & Medium dogs must have been officially measured before competing at a KC licensed Agility show.

SMALL CLASSES: Only open to dogs which measure 350mm or less at the withers.

LARGE CLASSES: Only open to dogs which measure over 430mm at the withers.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers) except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters) Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate) Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate) Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior) Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, 1 first place must be gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced) Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows. 2 first places must be gained in Agility (not jumping) Classes.

CHAMPIONSHIP CLASS (Kennel Club Championship Agility Certificate)

Open to dogs having qualified to compete in Grade 7 which have had 4 wins at Full Height in either Grade 6 or Grade 7, at least 2 of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same Show. All rounds of a Championship Agility Class and any Kennel Club heat, semi-final or final must be run at Full Height.

The top 50% of the entry up to a maximum of 20 dogs with the lowest accumulated total will be eligible to compete in the final round.

Elimination in either of the qualifying rounds will exclude the dog from competition in the final round. In the event of a tie for the last place the time/faults will be taken into account for both qualifying rounds to determine the last qualifying place. The calculation to decide the equal place is:

- (1) The dog with the least course faults in both the Agility and Jumping rounds. In the event these dogs are still equal,
- (2) The dog with the fastest combined time qualifies.

Ballot for Championship Class Running Orders:

- (a) Agility Round and Jumping Round - A draw for the running order of the Agility and Jumping rounds will be made prior to the show. The relevant competitors will be notified before the day of the show. The dogs must run in the order they are drawn.
- (b) Final Agility Round - Dogs to run in reverse order to their combined placings at the end of the first two rounds.

TUNNEL & JUMPING CLASSES (Special): These classes will consist of only tunnels and jumps.

ANYSIZE JUMPING CLASS (Special): These classes are open to any dog not entered in any other class at this show (except Anysize classes). It is intended as a fun class for older dogs, new dogs and 'don't fit anywhere else' dogs, so that all our dogs may enjoy agility shows. There will be no tyre or weaves in these classes. **The handler may choose which height is best for their dog, regardless of their dog's size.**

The jump height options are: 25cms & long jump (if used) will be maximum 2 units, 35cms & long jump (if used) will be maximum 3 units or 45cms & long jump (if used) will be maximum 4 units. Please ensure you are ringside when the jumps are at the height you wish to do, they cannot be altered once changed.

If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the Club/Society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.
