- Beginners:** For dogs and handlers completely new to agility. The combination may progress to Elementary at any stage. Alternatively, the handler may compete in Beginners for a maximum of 10 Competition (Show) days regardless of the number of 'new to agility' dogs he or she is running.
- The A-Frame and Dog Walk will be set at standard height. There will not be weaves or See-Saw in these classes. A silent toy is permitted to be carried in the ring by the handler as a training aid, but must not be thrown whilst in the ring.
- Elementary:** (KC Grade 1). For Handlers or Dogs who have not gained three wins (one of which must be an agility class). Experienced handlers at KC Grades 1 to 7 or Beachside Starters to Senior may enter new dogs in these classes.
- Starters:** (KC Grade 2). For Handlers or Dogs who are not eligible for Beginners or Elementary classes and have not gained three wins at Starters (one of which must be an agility class).
- Novice:** (KC Grade 3). For Handlers or Dogs who have gained four wins at Starters (one of which must be an agility class), and are not eligible for Graduate classes.
- Graduate:** (KC Grades 4 & 5). For Handlers or Dogs who have gained five wins at Novice (two of which must be an agility class), and are not eligible for Senior classes.
- Senior:** (KC Grades 6 & 7). For Handlers or Dogs who have gained six wins at Graduate (three of which must be an agility class).
- Veterans:** For dogs aged 8 years and over, these classes will have no Weaves or Seesaw. The A-Frame and Dog Walk (if used) will be at a lower height. Jump heights will be Toy, Small and Medium. Dogs may jump whichever height suits them best, regardless of the dog's size. Dogs entered into Veterans classes are not permitted to enter any other classes. Once a dog has competed at Veteran they are not permitted to move back to a standard class.
- Allsorts:** For dogs that the handler does not want to run at their measured height, or dogs returning from injury. All equipment is permissible in this group. Heights will be Toy, Small and Medium only. Dogs may jump whichever height suits them best, regardless of the dog's size. Dogs entered in Allsorts classes are not permitted to enter any other classes.
- A-Frame Enjoyment:** A course with an A-Frame as the only piece of contact equipment, the A-Frame will be negotiated three times.
- Tunnel Drive:** A course which includes tunnels which are to be negotiated.
- Double Dogwalk:** A course with a dogwalk as the only piece of contact equipment, the dogwalk will be negotiated twice.
- Helter Skelter:** A jumping course usually set in increasing or decreasing circles.
- Spirograph Jumping:** A jumping course usually set in circles.
- Power & Speed:** The power section is to be negotiated first and will consist of; contact equipment, weaves, spread jump and long jump. If this is completed without faults the handler then continues to the Speed Section, which is a short jumping course. The fastest Clear Round in the Speed Section is the winner.
