Trophies and Rosettes

Classes 5-7, 12-14, 17-19, 22-33, 38-40, 45-50, 53-55 and 58-66 (inclusive) are Combined classes, all other classes are Graded classes.

Combined classes are scheduled for the grades stated with one overall set of results for the class (with the exception of the Allsorts classes). For all Combined classes, except Allsorts classes, trophies will be awarded to 1st place where entries for the class are 50 or under, to 1st and 2nd place where class entries are between 51 and 100, to 1st to 3rd place where they exceed 100 and rosettes will be awarded to 10% of the class entry.

Graded classes are scheduled for one or more consecutive grades with separate results and awards issued for each grade. In Graded Classes, within each grade trophies will be awarded to 1st place where entries for the grade are 50 or under, to 1st and 2nd place where the grade entries are between 51 and 100, and to 1st to 3rd place where they exceed 100. Rosettes will be awarded to 10% of the grade entry.

Unplaced clear round rosettes will be awarded but they must be collected AT THE SHOW

A rosette will be awarded to the best unplaced BSD in all Large Classes.

Allsorts Classes are intended as fun classes for older dogs, new dogs and 'don't fit anywhere else' dogs. Clear round rosettes will be awarded and dog treats will be available for each dog that runs.

BSDA Agility Challenges

Any BSD entered in Classes 30 and 63 will be eligible for the BSDA Agility Challenge.

The points for the BSDA Agility Challenge will be calculated for the Saturday Challenge from the results for class 30 and for the Sunday Challenge from the results for class 63. Trophies will be awarded to the BSD achieving the highest BSD ranking as winner and to the second highest ranking BSD as runner on Saturday (class 30) and on Sunday (class 63).

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full Height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two height with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate)

Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced)

Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Small	Open to those dogs measuring 35cms or under at the withers.
Medium	Open to those dogs measuring over 35cms and those measuring 43cms or under at the withers.

Jumps will be at 3 heights: 25cms, 35cm and 45cms. Handlers may choose the height appropriate for their dog, regardless of their dogs size. Allsorts Jumping will have no weaves, tyre, long jump or contact equipment. Allsorts Helter Skelter has only jumps and tunnels in a course with increasing or decreasing circles.
