Lower Height Option will run first in all classes

As you can see the classes are small, therefore we will be running them as per running order, not by grade per class. Classes will not close until all dogs have run.

Our local scout group will be providing the catering, so please support them. They have informed me they will be doing cooked breakfasts, so if you prefer proper cutlery/plates please bring your own.

PLEASE REMEMBER there is no access over the green bridge, the nearest postcode is for the fire station - NP25 5BA. For extra directions which are not in the schedule, when coming off dual carriageway follow brown tent/caravan signs and Rockfield, at entrance to lane opposite Watery Lane there is a new sign 'Royal Monmouthshire Royal Engineers - Training Camp' - follow this.

PA will be kept to a minimum. Presentations will be done on the local microphone at Secretary's tent
