SMALL CLASSES: Only open to dogs which measure 350mm or less at the withers.
MEDIUM CLASSES: Only open to dogs which measure over 350mm but 430mm or under at the withers.
LARGE CLASSES: Only open to dogs which measure over 430mm at the withers.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and may extend/reduce the length of the long jump and width of the rising spread, within the permitted ranges, and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5

Grade 6

CHAMPIONSHIP CLASS (Kennel Club Championship Agility Certificate)

Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same Show. All rounds of a Championship Agility Class and any Kennel Club heat, semi-final or final must be run at Full Height.

The top 50% of the entry up to a maximum of 20 dogs with the lowest accumulated total will be eligible to compete in the final round.

Elimination in either of the qualifying rounds will exclude the dog from competition in the final round. In the event of a tie for the last place the time/faults will be taken into account for both qualifying rounds to determine the last qualifying place. The calculation to decide the equal place is:

- (1) The dog with the least course faults in both the Agility and Jumping rounds. In the event these dogs are still equal,
- (2) The dog with the fastest combined time qualifies.

Ballot for Championship Class Running Orders:

- (a) Agility Round and Jumping Round - A draw for the running order of the Agility and Jumping rounds will be made prior to the show. The relevant competitors will be notified before the day of the show. The dogs must run in the order they are drawn.
- (b) Final Agility Round - Dogs to run in reverse order to their combined placings at the end of the first two rounds.

TUNNEL & JUMPING CLASSES (Special): These classes will consist of only tunnels and jumps.

ANYSIZE JUMPING CLASS (Special): These classes are open to any dog not entered in any other class at this show (except Anysize classes). It is intended as a fun class for older dogs, new dogs and 'don't fit anywhere else' dogs, so that all our dogs may enjoy agility shows. There will be no tyre or weaves in these classes. **The handler may choose which height is best for their dog, regardless of their dog's size.**

The jump height options are: 20cms & long jump (if used) will be maximum 2 units, 35cms & long jump (if used) will be maximum 3 units or 45cms & long jump (if used) will be maximum 4 units. Please ensure you are ringside when the jumps are at the height you wish to do, they cannot be altered once changed.

However, if either member of the pair fail to complete the course or either of the dogs foul the ring the pair will be disqualified.

The competition will involve a change of height of the obstacles being jumped by the medium/large dogs at one stage during the class. The judge will decide which height of dog to start with and will announce the change of height when relevant. It is the competitors' responsibility to be available accordingly. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.
24. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition, (i.e. 21st May 2019), shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary (preferably by e-mail to enquiries@agilityaid.co.uk) at least 14 days before the date of the show (i.e. by 31st May 2019). The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a refund of the relevant entry fees.
25. Should circumstances so dictate the Society, in consultation with the Judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them must be reported to the Kennel Club.
26. In the event that the show is cancelled due to unforeseen circumstances, the Club/Society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the Club/Society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.
27. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.
28. Should a judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
29. Ballot for Championship Class Running Orders
Agility Round and Jumping Round – A draw for the running order of the Agility and Jumping Rounds will be made prior to the show. The relevant competitors will be notified before the day of the show. The dogs must run in the order in which they are drawn.
Final Agility Round – Dogs to run in reverse order to their combined placings at the end of the first two rounds.
30. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied with the appropriate fees.
31. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulation will be liable to be fined and/or dealt with under Kennel Club Rule A11.
32. Animals in Event
No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.
However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
33. A pay on the day class will be held if time permits.
34. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.
35. Welfare of Dogs - An owner (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog is met, and should not knowingly put their dog's health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Kennel Club Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Kennel Club. This shall apply at the venue and within the precincts of the show.
36. All dogs must be under control and are the responsibility of the accompanying handler.
37. Any owner, competitor, handler or other person in charge of a dog is required to remove, as soon as possible any fouling caused by their dog(s) at the event and within the environs of the event.
38. Axstane Agility Club Committee does not accept any responsibility for losses, damage, injuries or errors arising from any cause whatsoever, or for exhibitors missing their classes.
- 39. NO EXERCISING OF DOGS ALLOWED ON FOOTBALL PLAYING FIELDS. COMPETITORS FAILING TO ADHERE TO THIS RULE WILL BE ASKED TO LEAVE THE SHOW.**
40. Detailed rules for Kennel Club Qualifiers: see pages 6, 7 & 8.
41. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club. In Championship classes competitors must run in exact running order specified in the Regulations.
42. NOTE: Children under the age of 11 are the responsibility of a Parent or Guardian and must be supervised at all times including when competing.
