## WELCOME TO THE WHIZZ DOGS SHOW AT CROWLAND

Thank you for supporting us, we hope that you enjoy yourselves

### The venue:

The event is taking place on the Snowden Sports Field, Thorney Road, Crowland, PE6 0AL.

Entrance onto the field is via a sharp right hand turn off Thorney Road onto a private roadway.

The Snowden Sports Field is a very large flat area that is used by the local residents for dog walking, sports and children's play areas. An area has been allocated for exercising your dogs. Please ensure that you clear up everywhere and make the locals proud of us! Use the black bags or large bins to dispose of dog waste.

As residents and visitors are likely to be using other areas of the field during the weekend, we will be providing fencing around the competition rings.

Catering will be available each day of the show and a selection of shops is close by in the village.

### Camping and Day Parking:

All camping spots are allocated. If you requested to camp with friends/club then you will be. Your camping number has been sent out with a plan of the site with your running order. No need to book in.

Please ensure that you park in the marked out plots. **Tow bar to the plot number.**

Do not obstruct the roadways with cars, equipment etc. Please ensure that you have adequate fire fighting equipment (extinguisher or bucket of water near your tow bar).

Please respect your neighbours by not having generators on before 7am or after 8pm.

An elsan point and water tap will be clearly marked. Portaloos will be on site, no showers are available.

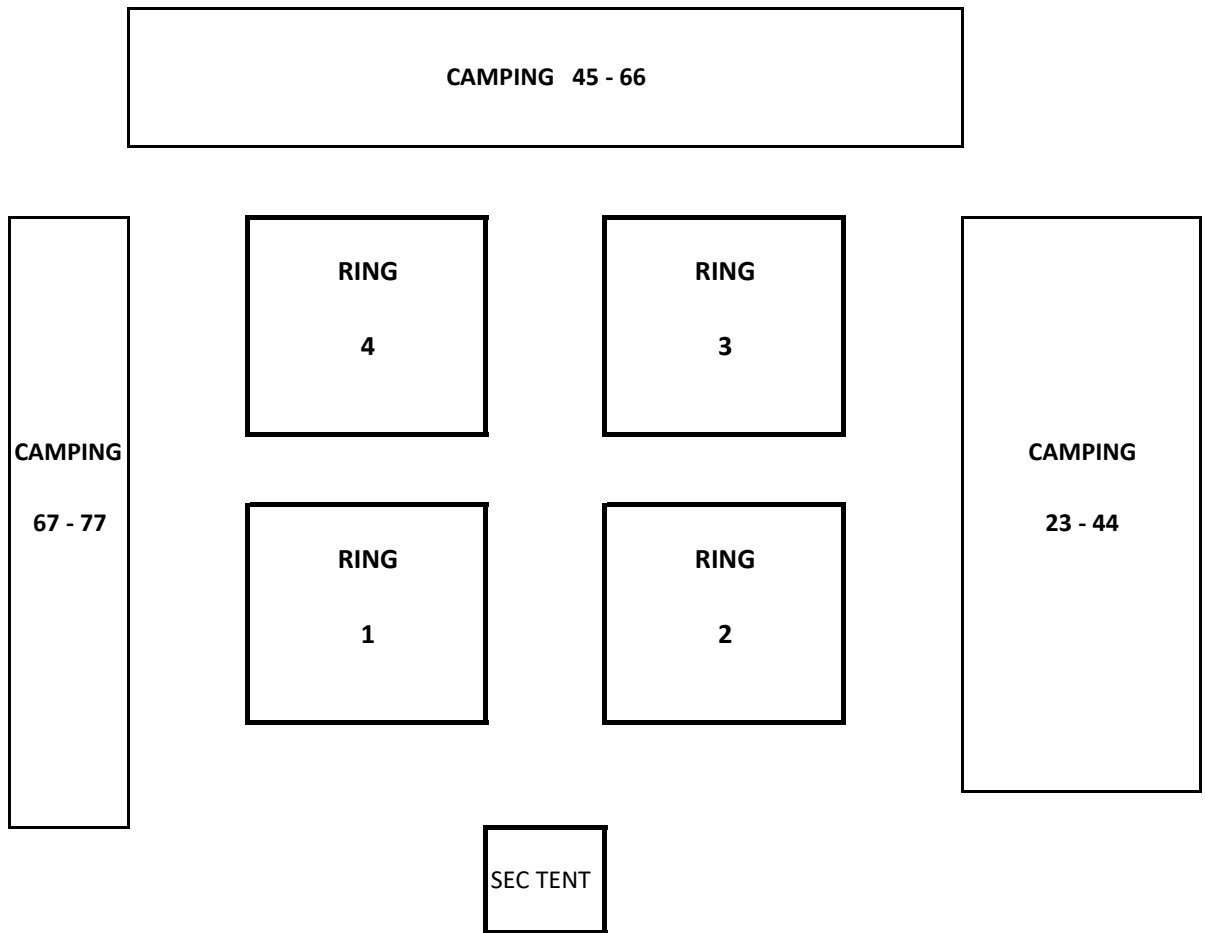

Day Parking – Please do not arrive before 7am! **5 MILES AN HOUR ANYWHERE ON SITE**

**HELP!!** Thank you to everyone who has offered to help at the show over the weekend; we are always looking for additional help so if you have time free on any of the days please come forward and offer what help you can give. We are very pleased to have the 47<sup>th</sup> Peterborough Cubs and Scouts helping out again on Saturday and Sunday.

### Pay on the Day and Practise Facilities:

We hope to run POTD sessions plus a Practise Facility where the jumps will be at the new heights that are coming into effect next year.
