THE AGILITY CLUB LARGE, INTERMEDIATE, MEDIUM & SMALL STARTERS AGILITY CHALLENGE 2020 RULES

*****These rules are valid for heats that lead to qualification for the Final in JULY 2020 only. Heats run for qualification for Finals after 2020 may vary.*****

1. The competition will be run under the relevant Kennel Club Regulations in force at that time. All handlers will be deemed to have agreed to abide by these rules and regulations.
2. Each Heat is open to all Grade 1-2 dogs of the correct size for each heat. Each heat will offer awards for the heights on offer as follows: Rosettes to a minimum of 10% in Large and Intermediate height, trophies to 1st and 2nd and Rosettes to a minimum of 10% in Medium and Small heights, trophy to 1st.
3. ONLY dogs handled by an Agility Club member at the time of competing (**date of joining/renewal must be prior to the first day of the show**) may qualify for the Final. In order to compete in the Final you must also be a current member of The Agility Club on the day of the final.
4. The competition will normally consist of up to Twenty (20) Heats. The **highest placed** Agility Club members in each Heat will go through to the Final, providing they have achieved an awarded place as detailed in paragraph 2.
5. Both handler and dog may only qualify once for each height Final. Each handler and dog pairing may only qualify once for the Final. In the event of the highest placed dog(s) having qualified previously, the next highest placed dog(s) will qualify. **The Agility Club reserves the right to call on the next placed Agility Club member if the highest placed is unable to attend the Final.**
6. If your dog qualified at Large or Large LHO during 2019 but measures into the Intermediate height then you will compete at Intermediate. If not, you will compete in Large. **LHO will NOT be an option.**

**** The show secretary must be informed if a handler or dog that has already qualified for the same height Final is placed in a subsequent Heat.**

THE KENNEL CLUB OLYMPIA AGILITY STAKES *Supported by Skinner's* RULES FOR OLYMPIA 2020

All events must be judged under the appropriate Kennel Club Regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these rules.

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

All Kennel Club supported competitions must be judged using standard marking.

If the entry for the heat exceeds 360 the class must be split into two equal parts. If the entry exceeds 540 the class must be split into three equal parts. No part, if split, may be less than 150 dogs. Rosettes and awards remain unchanged if the heat is split and will be given for each part.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

The handler that qualifies a dog for the Quarter-Final / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed.

Dogs cannot compete in more than one competition at Olympia. If a dog qualifies for more than one Quarter-Final or Semi-Final at the Kennel Club International Agility Festival the first successful qualification will take precedence and the dog will be withdrawn from any further Quarter / Semi-Finals and replaced by a reserve.

Once a dog has qualified for Olympia, or as a reserve the handler is deemed to have accepted an offer to compete at Olympia, it invalidates any reserve places in any other competition. If the first invitation to compete is declined it invalidates any reserve places in any other competition.

All winners of the Olympia Grand Finals will be invited to compete in the following year's Quarter-Final or Semi-Final at the International Agility Festival without qualifying through the usual procedure via heats.

(These rules will be amended if any changes are made to Kennel Club Agility Regulations during the course of the competition year).

THE KENNEL CLUB OLYMPIA LARGE DOG ABC AGILITY STAKES **Supported by Skinners**

This competition is a special agility competition open to all dogs excluding Border Collies, Working Sheepdogs and any of their crosses. In the event of a dispute over the parentage of a dog, a decision will be left to the judge's discretion.

Those dogs eligible to compete in competition for Large dogs are those measuring over 500mm at the withers and open to dogs in grades 5-7 and judged under the Kennel Club Regulations for standard classes.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Semi-Final, however only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final. Once a dog has qualified for the Semi-Final/Final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Semi-Final/Final.

The first three previously unqualified placed dogs from each heat will go forward to the Semi-Final at the Kennel Club International Agility Festival held annually in August, the first 10 dogs from this Semi-Final will qualify for the Final at the London Olympia Christmas International Horse Show (subject to the above).

A maximum of two representatives of any one breed may be invited to the Final from the Semi-Final. This decision will be at the organiser's discretion.

THE KENNEL CLUB OLYMPIA INTERMEDIATE DOG AGILITY STAKES **Supported by Skinners**

This competition will be classified as combined Grades 5-7 and judged under the Kennel Club Regulations for standard classes.

Dogs should be eligible to enter a Grade 5-7 class at the time of qualifying for the Quarter Final.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Quarter-Finals, and also the Semi-Final at Olympia. However, only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final.

Once a dog has qualified for the Quarter Final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Quarter Final/Semi-Final..

The first five previously unqualified placed dogs from each heat will go forward to the Quarter-Finals at the Kennel Club International Agility Festival held annually in August. If the heat is split then three dogs will be taken from each part. The first 20 dogs from this Quarter-Final will qualify for the Semi-Final at the London Olympia Christmas International Horse Show.

The 20 dogs who qualify for Olympia will compete in a Semi-Final at Olympia. The top10 highest placed dogs in the Semi-Final will qualify for the evening Grand Final at Olympia (subject to the above).

Those dogs eligible to compete in Intermediate Dog Agility competitions are those measuring over 430mm and measuring 500mm or under at the withers

ALLSORTS COMBINED JUMPING (Special)

1. These classes are for dogs, Grades 1 to 3 and Grades 4 to 7, who are unable to jump their full height for any reason.
2. The jumps will be set at micro height for the first part of the class, then at small height and finally at medium height.
3. Handlers may choose which height they wish to jump on the day, please note this means your running orders will not reflect the height you are jumping, so please take careful note of the height the jumps are set at as the class progresses.
4. There will be no tyre, spread jump or weaves in this class.
5. Dogs entered in this class may not enter any other class on the same day.
6. Rosettes will be presented to the top 10% of dogs, trophies to 2nd.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referred in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard Classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility shows, at least one of which must have been gained in an agility (not jumping) class. N.B. Owners, handlers or dogs previously qualified out of Grade 1, are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6, or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7.

Grade 5

Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes and are not eligible for Grades 2, 3, 4, 6 or 7.

Grade 6

Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, the dog walk and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.
