DOGS MAY ENTER A MAXIMUM OF 3 CLASSES - Championship counts as one class

Those entering more than 3 classes will be removed from the highest non-qualifier class.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.d refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5

Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

Grade 6

Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

Championship Class (Kennel Club Championship Agility Certificate)

Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same Show.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Veterans Jumping (Special) - Open to dogs aged 9 years and over and not entered in any other class, Anysize excepted. Jump heights Large - 400mm, Medium - 300mm, Small - 200mm. This is a competitive class and jump heights must be adhered to.

Anysize Jumping (Special) - Open to all dogs that are not entered into any other class, veterans excepted. Jump height for Anysize class will be set at 400mm, 300mm & 200mm, handler's choice on the day. Jump height will not be changed once they have been raised/lowered, so please make sure you are ringside when the jumps are at your chosen height. This is intended as a non-competitive fun run for dogs and only Clear Round rosettes will be awarded, no placed rosettes or trophies.

Grade Changes

If you win out after the closing date

In estimating the number of awards won, all wins up to and including 25 days before the start of the competition shall be counted when entering for any classes. For this show the last qualifying date for grade change is the **19th May 2020**.

Please complete the grade change via your online account or email enquiries@agilityaid.co.uk with the details. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify Agility Aid or the show secretary at least 14 days before the date of the show (**30th May 2020**). The dog will then be moved into the appropriate class/es for the next grade. The dog will be moved into the corresponding number of classes as were entered at the lower grade.

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

20. Judges at an Agility Show may not enter for competition a dog which is recorded in their ownership or part ownership; or handle a dog at the Show at which they are judging. Dogs may be disqualified if proved to have been handled in the class by the scheduled judge's spouse or immediate family, or resident at the same address as the scheduled judge.
21. Removal of dogs from Competition:

Following discussion between the show management and/or a veterinary surgeon, a dog shall be prevented from competing and/or removed from the Show if it is:-

 - a. A bitch which is in season.
 - b. Suffering from any infectious diseases or contagious disease.
 - c. Interfering with the safety or chance of winning of an opponent.
 - d. Of such temperament or is so much out of control as to be a danger to the safety of any person or other animal.
 - e. Likely to cause suffering to the dog if it continues competing.

The circumstances of such a removal shall be recorded in the competition/show Incident Book and submitted to the Kennel Club.
22. Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.
23. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition, i.e. 19th May 2020 shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a refund of the relevant entry fees.
24. Should circumstances so dictate the Society, in consultation with the Judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them will be reported to the Kennel Club.
25. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.

26. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.
27. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
28. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees.
29. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulation will be liable to be fined and/or dealt with under Kennel Club Rule A11.
30. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club. In Championship classes competitors must run in exact running order specified in the Regulations.
31. Animals in Event
No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.
However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
32. A pay on the day class will be held if time permits.
33. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.
34. Welfare of Dogs
An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Kennel Club. This shall apply at the venue and within the precincts of the show.
35. If you enter the show by paper entry form and choose to download your ring cards you are agreeing for the information on them to be publicly viewable online.
36. The show organisers or their authorised agents may make results from this show publicly available and share results with third parties for the same purpose.

Note: Children under the age of 11 are the responsibility of a Parent or Guardian and must be supervised at all times including when competing.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
