Please remember there are four conditions of us hiring the arena which are:

1. Park only where directed
2. Dogs should be on a lead around the venue due to the possibility of horses being out but can be let off lead in the outside arena.
3. Pick up all dog poo then bag and bin it. Ensure ALL dog poo is put in our own marked bins ONLY as I have to take it all home with me!!!
4. Do not put general rubbish in the dog poo bins please (for the reason above!)

Please be careful of keeping an eye on your classes as the numbers are quite small
and so classes will progress quite quickly

All heights will walk the course before the first class and there will then just be a 5 min gap for ongoing heights to walk between each class (so we can aim for a reasonable finish time for all)

**Thank you for your entries for our IMCA & PAWC Fundraiser show
which we hope you will all ENJOY and become an annual event**
