Live scores, class updates and results available online at: www.agilityaid.co.uk/results

Welcome to RVA Agility Show 9th, 10th & 11th July 2021

The Camp, Wood Lane, Ramsey PE26 2XB

We plan to run things as normally as possible in the current conditions, however there are some things we must all do to comply with government restrictions

COURSE WALKING: we plan to stagger course walking to keep the number of people to a maximum of 30. This will be governed by the number of dogs in the class, so if your class has less than 30 dogs you can all walk together. For classes of more than 30 we will stagger the walking depending on your running order, so running orders 1-30 will walk the first period followed by 31-60 and so on through the class. Please do not panic if you miss your slot – you can fit into another slot when the numbers allow. We will announce over the PA (also on your radio 88FM) which courses are ready and which group of people should be ready to walk as soon as is possible.

We also ask that only the handler walks the course, no trainers, friends or ‘hangers on please’.

PRESENTATIONS: No judges handshakes(or hugs and kisses) Rosettes and trophies will be place on table outside secretary tent for you to collect – please come and collect when your presentation is announced so we can give you the applause and congratulations you deserve

Please keep social distancing in mind when moving around the site. Wear a mask if you wish and respect other people’s space.

We will provide sanitizer and masks at various points around the site, please use these as you feel necessary especially around tented areas and toilets.

Our ring party are happy to move your lead to the finish line but will not take coats, balls, toys, phones and any other personal possessions you may have with you. You will need to place these in a safe spot before entering the ring.

It has been forbidden by the Ramsey 1940’s staff for anyone to go on to the Camp. We are restricted to the event field only so please do not venture onto that area, we must accept their restrictions.

CAMPERS: You will be given a pitch number and a map of the site when you arrive at the gate
