Exercising your Dog

Dogs should be on a lead at all times, except in the designated exercise area. Please pick up your dog waste and put it in the skips provided. If you happen to see dog waste that someone else has missed, we would be grateful if you would also dispose of that. It is so easy with so many people with multiply dogs that sometimes they do get missed, especially in the dark. It is the dog's owner responsibility for their dog's behaviour, but we also have a collective responsibility to look after the venue and accidents do happen. For those of you that have multiple dogs please ensure that only 2 dogs off the lead at any one time in the exercise area.

No throwing of toys in the exercise area, with multiply dogs off lead accidents can happen.

Local Amenities

The nearest town is Colchester and Ipswich, which both are about 10-15 minutes along the A12. The Nearest Tesco is at Ipswich Copdock, take the A12 towards Ipswich, at the Copdock roundabout go straight across towards Ipswich and take the first exit on the left, and Tesco it on the right-hand side.

There is also a local pub serving food in Stratford St Mary. Please ask the secretary for directions if necessary.

Help on the Rings

Like most shows, we are a small club and without the help from the competitors the rings would not run smoothly. If you have a few minutes to spare we would be grateful if you would offer some help on a ring, all help on the rings will allow members of the ring party to go and run their dogs, or even just have a toilet break!. For those who have volunteered to help all day, a lunch voucher will be available to be redeemed at MB CATERING, snacks and refreshments will be provided in the ring box throughout the day.

Dogs in Vehicles

Make sure your dogs have shade, ventilation and fresh water at all times. If any dogs are found to be at risk, we may break into your vehicle to relieve them.
