Eligibility for Classes

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must also contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-
A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a graded Class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards progression.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

COVID INCLUSION: guidance has been published on course walking considerations:
thekennelclub.org.uk/agilitysecretary.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.

1. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jam.
2. If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
3. The vehicle should be as fully ventilated as possible, and plenty stops should be taken, with lots of water available to drink.
4. Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
5. At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
6. Keep the dog in the shade – take your own shade and always have plenty of water available to drink so your dog stays well hydrated.
7. Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club license event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to refuse entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

COVID INCLUSION:

The Society will ensure to the best of its ability that the event is run to Covid Safe guidelines. It is your responsibility to ensure you comply with national and local restrictions including advice given about non-essential travel in and out of locally affected regions (which must not be ignored) – in the interests of the safety of all participants this may give rise to a short notice refusal of entry at the society's discretion. The Kennel Club will respect the society's exercise of its discretion.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice - www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/
