ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small & Medium height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.d refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class

Grade 2 Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3 Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7

Grade 4 Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5 Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

Grade 6 Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7 Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

Championship Class (Kennel Club Championship Agility Certificate) Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same show.

Special Classes

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

The handler that qualifies a dog for the Quarter-Final / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed.

Dogs cannot compete in more than one competition at The Kennel Club Agility Stakes finals. If a dog qualifies for more than one Quarter-Final or Semi-Final the first successful qualification will take precedence and the dog will be withdrawn from any further Quarter/Semi-Finals and replaced by a reserve.

Once a dog has qualified for The Kennel Club Agility Stakes final or as a reserve the handler is deemed to have accepted an offer to compete at The Kennel Club Agility Stakes final, it invalidates any reserve places in any other competition. If the first invitation to compete is declined it invalidates any reserve places in any other competition.

All winners of The Kennel Club Agility Stakes Grand Finals will be invited to compete in the following year's Quarter-Final or Semi-Final without qualifying through the usual procedure via heats.

(these rules would be amended if any changes are made to Kennel Club agility regulations during the course of the competition year)

THE KENNEL CLUB DOG AGILITY QUALIFYING EVENT

Date and Location are TBC

THE KENNEL CLUB NOVICE CUP DOG AGILITY STAKES 2022/2023

All events must be judged under the appropriate Kennel Club regulations H & H (1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.

Dogs should be eligible to enter a Grade 3, 4 or 5 class at the time of qualifying for the semi-final. Any subsequent wins gained by the dog will not alter its eligibility to compete in the Semi-Final or Final.

There will be up to 14 separate heats for large, intermediate, medium and small height dogs at Kennel Club licensed shows throughout the country, plus an additional heat on Thursday 11th August 2022 at the International Agility Festival.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Semi-Final at the International Agility Festival, however only the competitor's highest placed dog at the Semi-Final will qualify for the Crufts Grand Final.

Once a dog has qualified for the Semi-Final, further heats may be entered for competition although any placings in these heats will not affect the dog's eligibility for the Semi-Final.

Qualifying

The first 2 previously unqualified dogs from each heat will go forward to the Semi-Final at the Kennel Club International Agility Festival on Saturday 13th August 2022. There will also be a Novice Cup heat at the Kennel Club International Agility Festival on Thursday 11th August, where the first 5 previously unqualified placed dogs will also go forward to the Saturday's Semi-Final. If the heat is split then 2 dogs will be taken from each part.

If a competitor does not take up the invitation to compete in the semi-final, the invitation will be rolled down to the next applicable dog from the relevant heat.

The top 6 large dogs, 6 intermediate, 6 medium dogs and 6 small dogs from the Semi-Final round of the Kennel Club Novice Cup will be invited to compete in the Final at Crufts 2023. Please note there will be an entry fee for the final.

Under 18s Jumping Qualifier (U18J) for Crufts 2023(U18J)

The competition is open to all YKC members only, aged 6 years and up to, but not including 18th birthday handling any Kennel Club registered dog.

There are eight classes divided by age of member and size of dog as listed below:

- 6-11 Years with Large/Intermediate/Medium/Small dogs
- 12-17 Years with Large/Intermediate/Medium/Small dogs

Please enter the class age category you will be on the day of the qualifier.

The YKC method for Crufts qualification is a points based system as follows:

- 1st Place = 30 points / 2nd Place = 15 points / 3rd Place = 10 points

Points are gained per handler/dog combination. If the same handler gains points with another dog in U18J - these points will be separate.

30 or more combined points during the year in U18J competitions should guarantee qualification to the U18J final at next year's Crufts,

Please note you may only compete with one dog in the Crufts U18J final. Should you manage to qualify more than one dog, you must choose one, the other qualified dogs may be used as a reserve should your first choice be unavailable.

Members must ensure that their fees to the Young Kennel Club (YKC) are up to date and fully paid in order to enter any Young Kennel Club class.

These schedule rules must be read in conjunction with the most up to date YKC Agility Rules found on the YKC

website. (www.ykc.org.uk)

YKC pairs qualifier for Crufts 2023

The competition is open to YKC members only, aged between 6 and 24 years.

There are 12 classes divided by age of member and size of dog as listed below:

- 6-11 years with large/intermediate/medium/small dogs
- 12-17 years with large/intermediate/medium/small dogs
- 18-24 years with large/intermediate/medium/small dogs

When entering a pair, you should use the age of the oldest member to determine which category to use. At each qualifier, a handler may only enter 1 age category per dog height, if the handler wishes to enter the same height pairs competition with multiple pairs, all subsequent entries must be for the same age range

e.g. Jim is 9 and has a large dog, he partners with Bob who is 12 also with a large dog. They will enter the "Large 12-17 YKC Pairs" competition. If Jim wants to enter another dog into the "YKC large dog pairs" at this qualifier, he must do so with someone who is in the 12-17 age range (which can be Bob again providing they are both using different large dogs).

As COVID is ongoing, the baton change remains removed from qualifiers in 2022 and Crufts 2023

Please note: you may only compete with one dog per height in the Crufts YKC pairs fina.

Pairs must use the same size dog for both members. Once a qualifier has been entered, members may not switch dogs or handlers.

The pair who are placed first in each category will qualify for Crufts 2023. (12 qualification spots per qualifier.)

Both members must ensure that their fees to the Young Kennel Club (YKC) are up to date and fully paid in order to enter any Young Kennel Club class.

These schedule rules must be read in conjunction with the most up to date YKC Agility Rules found on the YKC website.

- 12-17 Years with large/intermediate/medium/small dogs

Please enter the class age category you will be on the day of the qualifier.

- The YKC method for Crufts qualification is a points based system as follows:
